WHO WE ARE

Naval Information Warfare Center (NIWC) Atlantic is a Department of the Navy organization and reports directly to the Naval Information Warfare Systems Command (NAVWAR) located in San Diego, California. We employ engineers, IT specialists, computer and data scientists and a myriad of business and administrative professionals committed to supporting the warfighter and the nation.

WHAT WE DO

At NIWC Atlantic, we design, acquire, engineer and sustain a full range of IT capabilities from communications systems and sensors to data centers and software services. We help strengthen our nation by supporting Navy, Marine Corps and Joint programs who rely on us to deliver secure, integrated and innovative solutions to protect American interests around the world.

LOCATIONS

Our major locations are in South Carolina, Virginia, Louisiana, DC, Florida and Europe.

HOW TO APPLY

Submit resume & employment related questions to:

For Student Intern and Entry-level positions email:
np_si_recruiter.fct@navy.mil

All other positions email:
hr_recruiter.fct@navy.mil

*NIWC Atlantic is an Equal Opportunity Employer.
US Citizenship is Required.*

Statement A: Approved for public release; Distribution is unlimited (Aug. 2019)

SUPPORT THE MISSION

WITHOUT WEARING THE UNIFORM

*Win the
Information War*

*Serve our Nation by
delivering information
warfare solutions that
protect national security.*

Innovative Workforce

YOU HAVE THE OPPORTUNITY TO:

- Directly impact our nation's security at home and the readiness/effectiveness of our military.
- Work with innovative technology on platforms ranging from seabed to cyber space that are typically years ahead of anything available anywhere in the world.
- Work in state-of-the-art laboratories, onboard ships, submarines and at facilities globally.

Opportunities

STUDENT INTERNS

Students enrolled in Science, Technology, Engineering, Math (STEM), as well as other programs of study leading to positions in Finance, Contracts and Logistics, at an accredited educational institution are encouraged to apply to the NIWC Student Intern Program. This program provides students with opportunities to explore Federal careers while being paid for the work performed. An Internship gives students valuable "on the job" training while completing their education.

Submit your resume and unofficial transcripts to:
np_si_recruiter.fct@navy.mil

NEW PROFESSIONALS

The New Professional (NP) Program is a two-year career development opportunity designed to bridge the gap between formal academic training and professional work. The NP Program employs scientists and engineers who hold B.S., M.S. and Ph.D. degrees (within 3 years of graduation) as well as those interested in Finance, Contracts and Logistics. The NP Program offers an array of developmental opportunities such as rotations, training, warfighter tours and social events.

np_si_recruiter.fct@navy.mil

For additional information visit:
www.public.navy.mil/navwar/Atlantic/Pages/Home.aspx

NAVAL ACQUISITION DEVELOPMENT PROGRAM (NADP)

The NADP is comprised of paid entry-level and associate employees. For the right candidate, there are professional working environments, predictable promotions, mobility, travel and the opportunity to be associated with acquisition, logistics and technology programs that are vital to our nation and to the support of our Naval Forces.

Submit your resume and unofficial transcripts to:
np_si_recruiter.fct@navy.mil

For additional information, go to:
www.secnv.navy.mil/rda/workforce/Pages/NADP/Applicants.aspx

Eligibility

U.S. Citizenship required. Background check is required for all jobs (minimum age is 16). A security clearance may be required (minimum age is 18).

What We're Looking For

We are looking for electronics engineers, computer engineers, computer scientists, mathematicians and IT specialists who possess advanced skills and experience in cybersecurity, ethical hacking, cloud computing, big data, data science, machine learning/artificial intelligence, RF communications, networks, mobile applications and enterprise systems. We are also looking for Business Financial Managers, Contract Specialists, Logisticians and Program Managers (related degrees: accounting, business, finance, industrial engineering, mechanical engineering and supply chain management).

Build your career with NIWC, where purpose and patriotism unite.

OUR GUIDING PRINCIPLES: • Embody Integrity
• Focus on Mission & Warfighter

• Champion Service
• Embrace Ownership & Empowerment
• Enable Teamwork
