

STUDENT PROGRAMS

The Naval Information Warfare Center (NIWC) Atlantic is a

Department of the Navy organization and reports directly to the Naval Information Warfare Systems Command located in San Diego, California. NIWC Atlantic employs more than 4,800 civilians and 126 military personnel. We help to strengthen our country by serving great customers who continually rely on us for delivering value. Annually, our customers turn to us to provide \$4.02 billion in systems, products and services. Our major locations are in South Carolina, Louisiana, DC, Florida and Europe.

DIRECT HIRE AUTHORITY (DHA) FOR STUDENTS AT SCIENCE AND TECHNOLOGY REINVENTION LABS

(STRL) allows agencies to hire students enrolled in a Scientific, Technical, Engineering, or Mathematics (STEM) course of study at an accredited institution of higher education on a temporary or term basis.

Eligibility

• Students must be enrolled in a Scientific or Engineering Program leading to a Bachelor's or Advanced degree in a STEM course of study

Application Process

Submit resume and unofficial transcripts online at: niwcatlantic.navy.mil/careers

Background check is required for all jobs (minimum age is 16). A security clearance may be required (minimum age is 18).

THE PATHWAYS INTERNSHIP PROGRAM is designed to provide students enrolled in a wide variety of educational institutions, from high school to graduate level, with opportunities to work in agencies and explore Federal careers while still in school. Students who successfully complete the program may be eligible for conversion to a permanent job in the civil service.

Eligibility

• Current students in an accredited high school, college professional, technical, vocational and trade school; advanced degree programs; or other qualifying educational institution pursuing a qualifying degree or certificate.

Program Administration

- Interns may work either part-time or full-time.
- Intern's job will be related to the Intern's academic career goals or field of study.

For more information and to apply: www.usajobs.gov/studentsandgrads

Why intern with us? • Gain relatable work experience • Mentorship • Rotational Opportunities & Tours To learn more about NIWC Atlantic, go to: niwcatlantic.navy.mil/careers **THE WORKFORCE RECRUITMENT PROGRAM (WRP)** for Students with Disabilities, is a recruitment and referral program that connects federal and private sector employers nationwide with highly motivated college students and recent graduates with disabilities who are eager to prove their abilities in the workplace through summer or permanent jobs.

Eligibility

• Applicants must be current, full-time undergraduate or graduate students with a disability, or have graduated within one year of the release of the database each December.

Application Process

Apply online and learn more at http://www.dol.gov/odep/wrp/ or https://wrp.gov

THE SCIENCE AND ENGINEERING APPRENTICESHIP PROGRAM (SEAP) provides an opportunity for students to participate in research at a Department of Navy (DoN) laboratory during the summer. Participating students spend 8 weeks during the summer doing research. Program dates are fixed and cannot be changed. No travel/relocation allowance will be provided.

Eligibility

- High school students who have completed at least Grade 9. A graduating senior is eligible to apply.
- Must be 16 years of age for most laboratories. Some laboratories may accept a 15 year old applicant.

Application Process

Apply online at http://seap.asee.org/

THE NAVAL RESEARCH ENTERPRISE INTERNSHIP PROGRAM (NREIP) provides an opportunity for students to participate in research at a DoN laboratory during the summer. NREIP provides competitive research internships to approximately 475 college students (400 undergraduate students and 75 graduate students) each year. Participating students spend 10 weeks during the summer conducting research.

Eligibility

- Applicants must be on track to acquire a minimum of 31 credits. Eligibility is determined by the number of credits you possess.
- Applicants should have majors relevant to the research interests of the laboratories.

Application Process

Apply online at http://nreip.asee.org

THE SCIENCE, MATHEMATICS AND RESEARCH FOR TRANSFORMATION (SMART)

SCHOLARSHIP FOR SERVICE Program has been established by the DoD to support undergraduate and graduate students pursuing degrees in STEM disciplines.

Eligibility

- Applicants must be 18 years of age or older as of August 1 (of the current year).
- Applicants must be willing to accept post-graduate employment with the DoD.
- Students must be in good standing with a minimum cumulative GPA of 3.0 on a 4.0 scale at the time of award and pursuing an undergraduate or graduate degree in one of the qualifying disciplines. (Undergraduate applicants must be currently enrolled in a regionally accredited U.S. college or university and have a high school diploma/GED. Current high school students are not eligible to apply).
